Theme: "United We Stand"

-  **Please do not park on West Washington – this is a detour route.**
-  When you arrive, you must go to your designated line up street. Your street assignment will be sent to you no later than June 30. There will be Chamber volunteers assigned to the streets to assist you, if needed.
-  To stay clear of overhead wires, entries must be less than 13.5 feet high, as measured from the ground.
-  No flat beds over 25 feet in length (or semi-trucks) due to tight turns on Newman Street.
-  All vehicles must be "road safe." Good brakes are a must and adequate safety chains must be used on all towed units. Clear vision must be provided for drivers. A second person assisting the driver with watching for safety hazards is recommended.
-  *Remember – for the safety of the viewers, candy cannot be thrown from the floats or vehicles. All entries must provide walkers to hand out candy or other items to viewers along the entire parade route. This important safety rule will be closely monitored. Throwing items encourages children to run between vehicles; other communities have suffered serious tragedy this way. Help us keep our community and children safe!*
-  Alcoholic beverages and the use of water balloons, squirt guns, and similar items are prohibited.
-  All entrants participate at their own risk.
-  Please maintain a safe distance, approximately 1-2 car lengths between entries, but keep pace with the parade. Gaps between entries should not exceed 1-2 car lengths. Please limit stops to emergencies only.
-  The parade ends at Whittemore Street which is one street before the caution light in Tawas City. After turning on Whittemore Street, proceed one block up to Fifth Avenue. You may then proceed back to your point of origin.
-  There is \$20 entry fee per business, float or vehicle; \$10 for civic organizations; \$10 for public office candidates; active military and veteran groups are exempt from payment. Please make checks payable to the Tawas Area Chamber of Commerce. All proceeds support the Fireworks Display.
