ABOUT THE TAWAS AREA CHAMBER OF COMMERCE

History and Mission

Since 1947, the Tawas Area Chamber of Commerce has been a network organization comprised of businesses, civic non-profit groups, publicly funded entities and individuals who work together toward a common vision: Prosperity in Business. Strength in Community. Governed by a volunteer Board of Directors that is elected by their peers, the organization's charge is to encourage and support economic development and success by creating collaborations to grow membership, support tourism, and foster opportunities that will ensure a vibrant community for those who work, live, and play here.

Goals and projects are accomplished through our Chamber committees which provides members and stakeholders with the opportunity to participate and provide input on key issues. Chamber leadership is intensely involved throughout the wider community, encouraging vision, cooperation and consistency in long-range regional planning and decision- making. Events, projects and programs are designed and implemented to enhance the economic development of the Tawas area.

As a member and advocate of our community, we strive to leave a better place for the next generation; but we believe the best way to ensure success is to get the next generation involved **NOW**. The Tawas Area Chamber of Commerce Youth Engagement Program is designed to facilitate that engagement. This program will provide a high quality, organized and focused volunteer experience to the students who are interested in promoting community and business prosperity through advocacy and network development.
